

# Lauri

---

# Karjalainen

Bachelor student with a passion for learning new things and a “can-do” attitude. Currently looking for work in the field of software development for the summer of 2021.

## Experience

---

01.2021 – 04.2021

### Technical support - *Vaasa City Library*

Work at *Digihanke*, a project aimed to improve the digital know-how, online media literacy and digital support capabilities of libraries near Vaasa.

Organizing and holding educational events for staff at multiple libraries, with a wide range of technology-related topics.

07.2020 – 08.2020

### Library assistant - *Vaasa City Library*

Work as “digital janitor”, a customer service person offering help and information for customers, and sometimes library staff, who are having issues with digital devices or services of any kind.

01.2020 – Now

### Hourly-paid teacher - *University of Vaasa*

Teaching smaller groups in an introductory course about MS Office and general MS Windows usage, ~16 hours per semester.

07.2018 – Now

### Freelance web developer

Building websites for small- to medium-sized organizations, mostly utilizing Wordpress. More information about these as well as about some hobby projects is available in my portfolio at [laurikarjalainen.com](http://laurikarjalainen.com)

06.2018 – 07.2018

### Playground instructor - *Mannerheim League Ilmajoki*

Supervising 4 to 10-year-old children on a playground.

Organizing play, games, and creative activities for the children.

## Other

---

2019

### Leadership training (AUK / NCO) - *Finnish Defence Forces*

Served my conscription between 2018 and 2019 in Defence Forces Sports School in Guard Jaeger Regiment. The training also included completing a certified sports coaching course with a total of 60 hours of studies.
